AFFAIRS OF HOLLAND.

A private letter dated at the Hague on the A private letter dated at the Hague on the sides of not one of the eappearance of a blockading squarer of of the reappearance of a blockading squarer of most one of the coast of Holland was increased in intensity, and that reports were is directly lation that five or six ships of war had been seen in the offing. But the selection of the equinox, with its boisterous gales and him weather, did not seem likely, for such in the terprise on an ill-lighted coast, and in shall waters like those of Holland. The capta of the Batayian tea ship had aroused coast. of the Batavian tea ship had aroused cost derable activity among the Dutch merchia and it was thought that the difficulties like to follow from that and other disasters, were cause such a ferment as to bear upon the perations of the government. Thus far, here ever, the King had manifested no inclinated to relax from the position he had assumed by on the other hand, had increased the action of his preparations in the navy yard at Radian Chile had account the control of the property of the This had greatly drained the tres scription for the standing army, or the alling out of the landstram. The writer infinite that the measures of the Dutch government had caused great discontents, and satisfactes more serious difficulties in the interme than the bombardment of Flushing, or the fettible

opening of the Scheldt.

This letter announces that the Minister's Poreign Affairs had received dispatched the preceding day (the 19th) from View containing the official announcement of signature of a treaty of peace between a Sultan and the Pucha of Egypt.
